J.V. CLARK SCHOOL ATTENDANCE AWARD AND GRADE 11 CLASS SITE VISIT

On June 9, Victoria Gold's Tim Fisch, Vice President and General Manager, Eagle Gold Mine, and Michelle Dawson-Beattie, Community Liaison were pleased to present the Village of Mayo's J.V. Clark School student Penny Gripton-Spence with the Victoria Gold Corp Award for Elementary Attendance.

Established and first awarded in the 2012/2013 school year, the Victoria Gold Corp Award for Elementary Attendance goes to a J.V. Clark School Student who has no - or very few - absences or days late. Penny also received a bookstore gift card for her attendance achievement. The award ceremony was followed by a BBQ for the entire school community.

"The Victoria Gold team extends its sincere congratulations to Penny for her excellent attendance this year," says Victoria Gold President & CEO John McConnell. "We hope all Yukon students had a very happy summer and wish them every success in the coming school year."

In May, Victoria Gold hosted Andy Preto's Grade 11 Experiential Sciences class from Whitehorse at the Eagle Gold Mine. This is the third cohort from the program to visit the mine site.

The class participated in a tour of the mine which included the truck shop and the newly-constructed and operational Water Treatment Plant. The students were eager to learn about Victoria Gold's environmental program and environmental monitoring and sampling partnership with the First Nation of Na-Cho Nyak Dun.

"We are always pleased to host Yukon students at the Eagle Gold Mine and share our commitment to the environment and the mine's many opportunities for young Yukoners," adds McConnell.
