

PRESIDENT'S MESSAGE

NATIONAL INDIGENOUS PEOPLES DAY

On behalf of the entire Victoria Gold team, I extend my best wishes to all Yukoners as we celebrate **National Indigenous Peoples Day** on Wednesday, June 21.

This very important day provides us all with an opportunity to recognize the unique heritage, diverse cultures and outstanding contributions of Yukon First Nations here in the territory and of Indigenous peoples across the country.

We are very proud of our company's long-standing partnership with the First Nation of Na-Cho Nyak Dun (FNNND) and its citizens, within whose traditional territory the Eagle Gold Mine operates. We extend our congratulations to the First Nation on the 30th Anniversary of the signing of its *Final and Self-government Agreements* and to the new FNNND Chief and Council.

Victoria Gold looks forward to the ongoing dialogue this partnership brings and to continued meaningful and respectful working relationships throughout, and beyond, the life of the mine.

My family and I look forward to commemorating National Indigenous Peoples Day and the longest day of the year and encourage everyone to learn more about Indigenous culture, experiences and achievements.

Sincerely,

John McConnell
